

MEMO FROM THE SECRETARY

February 2008

- The 2008 membership application is available online. Sending in your membership renewal during the off-season helps lessen the paperwork when we start the new season.
- If you have a new driver who is signing up, please provide documentation of age. Proof of age can be a copy of a driver's license, birth certificate or passport.
- Kart numbers from the 2007 season will be held through the first 2008 points race. This applies only for the class or classes in which you raced last season.
- At this time, the 2008 rulebook has not yet been finalized by the Board of Directors. Once it has been approved and changes made, it will be available on the OVKA website. Printed copies will be available at the track beginning with Karting 101.
- Your help is needed as we prepare to kick off the 2008 season. Please join us on Saturday, April 5th, from 9:00 a.m. until 1:00 p.m. when we will have our clean-up day.
- We are lining up corner workers for the 2008 season. If you can help at any of the races, please let me know so we can get as many filled prior to the start of the season.
- Participation credits can be earned throughout the year in a variety of ways. Drivers can apply these credits toward year-end participation for banquet drawings if they have missed any races. A credit can be earned for working a four-hour shift at workdays, promotional events, the Swap Meet, and at races in lieu of reimbursement.
- If you have any questions, please feel free to contact me at 513-293-6905.

See you at the track.
