Well, here we are, early February and the snow just keeps falling! Three long months to go before our first 2010 points race!! This is my first letter to the membership as your new President for the 2010 season. I would like to thank all of those that put your confidence in me with your vote at the annual membership meeting. It was a great turnout by all who attended!

Special thanks go to Max Viney for his leadership and commitment to the club over the past two years as our club President. I would also like to thank Ted Cradlebaugh, Lynda Coombs and Jason Gregg for stepping up for another year of serving the club in the other 3 elected offices.

We have another fun filled race season in store for you, with 14 points events, 1 “away” race at Circleville, 2 Saturday night races and 6 qualifiers this year. As a reminder this year we have our annual track “clean up” day scheduled for Saturday, April 10th from 9:00 a.m. to 1:00 p.m. This is a great opportunity for you to show your support for the club and volunteer some of your time before the season kicks into full swing.

The OVKA has a 46 year history of providing a fun, family environment for karters to race. I’m looking forward to continuing the tradition, while at the same time looking to make the experience even more fun for the members. We are working to provide a simpler, more consistent race day, with the focus on racing and having fun.

Please keep an eye on our web site (www.ovka.com) for updates through out the season!

I’m looking forward to serving the needs of the OVKA membership in 2010 along with a fun filled and competitive racing season!

Tim
