

Message From The Prez

April 2007

Here we are after the March Board Meeting, getting ready for the start of our 2007 race season. We have our Track clean up day April 7 Saturday from 9am to 1pm, we will have lunch for all our workers after 1 pm. As always we need your help during this day, there will be lots of painting and cleaning to do in preparation for the 2007 season.

Our rulebook is now on the web site and copies will be at Karting 101. So please pick up a copy and look over very carefully. There have been some changes with awarding participation (P's). That you will need two (2) P's above your participation (racing) to be eligible for year-end prizes. This was added to get more assistance / participation on our race and workdays.

Also new for this year, you will notice that the Sr. Novice Class is now a participation class only. No Championship Trophy or Jackets will be given in this class only participation plaques. Please read the rulebook for more details. Plus as always you can question a Board Member or myself if you have any questions.

We have had a busy off-season with the Rules Committee, Track Improvement Committee and Shows / Promotions at KMI also Lang Chevy put on by the DARF club. Plus the Sponsorship Committee has been investigating additional class and event sponsors. Sponsorship information and forms can be found on our website.

In closing, we lost a dear and close friend to our OVKA family in the passing of (Mr. Doug Stempfley Sr.) He will be sadly missed by us all.

Also our Club Sponsor (Jim Russell Sr.) of Russell Karting passed away do to an accident. Both of these men gave years of support to Karting and will be missed, but never forgotten.

**Let's keep the fun in racing,
Randy N Vermillion
OVKA President**
