

## *MEMO FROM THE SECRETARY DECEMBER 2005*

Participation credits are included in this newsletter and on the website. Please review them for accuracy. The type of participation prize you receive at the banquet is based on your level of participation. 16 races=100% participation; 12 through 15 races=75% participation; 8 through 11 races=50% participation.

In preparation for the banquet, please check the spelling of your name as this is how it will be spelled on any awards and/or plaques. Let me know of any corrections that need to be made.

While you may qualify for prizes due to earning participation credits for working, you may not necessarily qualify for a plaque since the rules require entering 10 races in order to receive a plaque. If you raced more than one class, they can be combined to meet the 10 race requirement. Please let me know if you need to combine your participation in multiple classes.

The banquet registration form is included in this newsletter. Be sure to note the January 6th cutoff date in order to get the best ticket price.

In order to reserve your room at Kings Island Inn at a special rate, reservations need to be made by January 6th.

The 2006 membership application is included in this newsletter and on the website.

Taking care of this during the off-season helps lessen the paperwork when we start the new season. Board members need to renew their membership by the January 3, 2006 board meeting in order to have voting privileges.

If you would like to share digital pictures you have taken at the track for use on the OVKA website and the banquet CD, please contact Terri Ruggiero at [bruggiero@fuse.net](mailto:bruggiero@fuse.net).

If you have any questions, please feel free to contact me at 513-293-6905.

Happy Holidays to each and every one of you.
