

Jan 2010

Welcome Members:

I would like to introduce your 2010 Technical Team.

Head Tech Director = Mike Brown  
2 cycle/4cycle Tech Director = Rick Etter  
TAG Tech Director = Carlson Bogan  
TAG Tech Director = Max Viney  
Pre Tech Inspection = Mike Brown  
Pre Tech Inspection = Rick Etter  
Pre Tech Inspection = Scott Benson  
Pre Tech Inspection = Randy J Vermillion

We invite you to visit this section regularly for the latest technical information that will affect OVKA.

We receive up-dates and rule changes on a regular base from WKA. We then report these changes to the Board Members of OVKA to decide if they want to implement them at OVKA.

We also encourage all members to purchase a WKA Technical Manual; they may be purchased at many local kart shops or at [www.worldkarting.com](http://www.worldkarting.com). TaG will use TAG USA rules not WKA rules, these rules can be found on the TAG USA web site [www.tagracing.net](http://www.tagracing.net) as well.

OVKA book rules will prevail as the rules relate to OVKA. These will be available at the track.

Please feel free to contact me [racer4@voyager.net](mailto:racer4@voyager.net), (937) 564-2362 or any of the other Tech Team Members with your questions, and we will do our best to get you an answer in a timely manner.

See you at the Track and Please Have a Fun and Safe 2010 Race Season.

Mike Brown  
2010 Head Tech Director
