

New rules for TaG:

1. Batteries are optional.
2. Starters may be removed.
3. Starter ring gears may also be removed.
  - a. Some cannot be removed as they are integral parts of mounting the clutch
    - i. Additional parts to replace the starter ring when it supports mounting the clutch is acceptable.
4. Chain Guards must be in place protecting the chain when viewed from the top.
  - a. Plastic is acceptable.
  - b. Metal is also acceptable so long as there are no sharp edges exposed to cut an individual.
5. It will no longer be necessary to prove that the starter is functional.
6. Head volume will be checked without the LAD plug as specified in WKA rules.
